Azura Employee Foundation

At Azura, our employees are always searching for ways to help improve more lives in our community. To help reach that goal, the Azura Employee Foundation (AEF) was launched in early 2019.

The Azura Employee Foundation (AEF) is 100% employee led and funded. An eight person employee committee focuses on providing charitable giving to organizations in NE Kansas. Twice a year, the Foundation's committee, acting on behalf of their fellow co-workers, meet to review and fulfill grant requests.

In 2019, AEF chose to focus its efforts on supporting the nonprofits which provide critical fundamental needs. Critical needs include those basic needs of food, water, shelter and clothing. We also have included in our definition the needs and importance of education, healthcare, access to financial tools and communication access for those who live in our communities. **We had the opportunity to award grants of \$2,500 each to the following organizations:**

Boys & Girls Clubs of Topeka

Ronald McDonald House

The Hope House

Topeka Center for Peace and Justice
